Speaker Introduction

Please use the following script to introduce TERRANCE before he speaks.

Ladies and gentlemen, today we are honored to welcome a speaker whose life is a living example of resilience, redemption, and purpose.

Terrance Ward is a healthcare leader, speaker, and the creator of the Beyond Black & White Podcast, a platform dedicated to honest conversation, healing, and transformation.

Raised in foster care, shaped by adversity, and determined to rise beyond his past, Terrance rebuilt his life through faith, discipline, and education earning advanced degrees and dedicating his work to helping others find identity, vision, and hope.

Through his signature talks, The Power of I AM, Write the Vision, and The Power of One Voice, Terrance inspires audiences to reclaim their story, break generational cycles, and build a life defined not by where they started but by where they are going.

Please join me in welcoming Terrance Ward.
